Joseph McElmeel, Chairman & CEO of Brooke Chase Associates, Inc. and Managing Director of The Executive Recruiter's Roundtable announced today the Annual Roundtable meeting to be held at the Whitmarsh Valley Country Club located 30 miles outside Philadelphia from November 5th through November 7th, 2009.

This is an opportunity for search industry principals to learn and benefit from the perspectives and experiences of the other members, while also sharing their own. Speakers include George Scott who will be discussing *Marketing Your Services to Potential Clients*, and Ken Diamond giving a talk on *Maximizing LinkedIn for Search*. Roger Linde, of Graphic Search Associates will also be speaking. He will be discussing *Low Cost Marketing Techniques*.

When asked why the Roundtable was created, Joe McElmeel replied; "Just one idea that can come out of a discussion with your industry peers can have a profound effect on how to better serve your clients and promote your business and profession. Additionally, the ability to call and discuss issues with other professionals within your industry is invaluable. It's like having your own advisory board."
